Disposal Tips

Place all carts out before 6:00 am on your service day

Mixed Compostables

- Collect food waste in a container with a tight-fitting lid in a convenient place in your kitchen. Line your kitchen container with newspaper or a BPI-approved compostables bag.
- Put out compostables cart every week.
- 'Layer' yard debris under and on top of food waste to keep the cart cleaner and odor free.

Co-mingled Recycling

- Rinse all containers before placing in cart.
- Contain loose recyclables in paper bags or boxes so they don't fly out when cart is being emptied.

Holiday Schedule

Thompson's Sanitary Service does not provide service on the following days: Thanksgiving, Christmas, and New Year's holidays. If your regular service day falls on one of those holidays, you will receive service the following day. Subsequently, all pick-up days after the holiday will be one-day late ending on Saturday.

Additional Services

Motor Oil

Place motor oil in a plastic jug with a tight fitting screw-on lid beside the cart (2 gallon limit for each service day)

Cash for Clunkers/Refrigerators

TSS & Central Lincoln PUD have teamed up to pick up and recycle your old (working) refrigerators and freezers at no cost along with a credit on your PUD bill. Go to thompsonsanitary.com, click on 'Other Recycling' and fill out the form.

Sharps Disposal

We have Sharps containers for your medical hypodermic needle disposal. Container sizes are gallon & quart sizes and price includes disposal.
