## Disposal TIPS

### Mixed Compostables

- Collect food waste in a container with a tight-fitting lid in a convenient place in your kitchen.
- Put out compostables cart every week.
- 'Layer' yard debris under and on top of food waste to help contents completely empty keeping the cart cleaner.
- Sprinkle baking soda in your cart for odor and liquid absorption.
- Freeze your food scraps in a plastic or silicone tub and then dump out scraps in cart on your service day.

### Mixed Recycling

- Rinse all containers before placing in cart.
- Contain loose recyclables in paper bags or boxes so they don't fly out when cart is being emptied.

### Holiday Schedule

Thompson's Sanitary Service does not provide service on the following days: **Thanksgiving, Christmas, and New Year's** holidays. If your regular service day falls on one of those holidays, you will receive service the following day. Subsequently, all pick-up days after the holiday will be one-day late ending on Saturday.

**\*Place all carts out before 6:00 am on your service day\***
